Discover a rare opportunity to own a secluded, heavily timbered property just minutes from The Legends in Kansas City Kansas. This beautiful piece of land offers two ideal building sites that are ready to go, making it perfect for a custom home, weekend retreat, or investment opportunity. A newly constructed road provides easy access through the property, while the dense tree cover ensures complete privacy and a peaceful, natural setting. The property is already equipped with essential utilities, including electricity and water on site with both being BPU connections. Whether you're looking for a private escape surrounded by nature or a conveniently located property with development potential, this unique parcel offers the best of both worlds.
